Roadwork on State Route 3 in Yreka to begin Monday

REDDING – The California Department of Transportation (Caltrans) in conjunction with Ron Hale Construction, Inc. will be doing a “Thin Blanket Overlay” adjacent to businesses in downtown Yreka, on Main Street (State Route 3). This work will be done during daytime hours, due to temperature requirements needed for paving and to ensure a quality-paving job.

Every attempt will be made to minimize any inconvenience this project may cause local businesses. Construction is tentatively scheduled to run from Monday, October 3 to Friday, October 7, 2005, weather permitting. Hours of construction will be 5 a.m. to 7 p.m. Work will proceed on Main Street from the North Yreka exit to the Walmart store. If weather becomes an issue, the schedule will be adjusted.

Traffic will be controlled with lane closures and flaggers at roadway intersections. There is no delay expected. If you have any concerns or questions please contact Jim Smolenski, Caltrans Resident Engineer at (530) 841-0473.
